A high-contrast, black and white close-up photograph of tree bark, showing deep vertical grooves and a rough, textured surface. The lighting creates strong highlights and shadows, emphasizing the natural grain and imperfections of the wood.

SOLID.
DURABLE.

NATURE

Root your projects in nature. Create spaces that help to refocus the mind and re-energise the spirit, turning them into rewarding and positive places.

In PRO NATURE you will discover elegant flat-woven wall-to-wall carpet inspired by the natural and fibrous texture of real bark. Welcoming and with a structure that creates more quiet spaces, these floors support our well-being, with a balance that makes them the perfect match for all interior settings.

Choose to bring nature into commercial spaces.
