

ROLS

STAIR RUNNERS COLLECTION

MAKE AN ENTRANCE **WORTH ENTERING**

The entrance is the first impression guests will have of your home, and the first sight you'll see when you come home at the end of each day. Carpeting in your entrance sets the tone of your home's style from that first step in the door. And a contemporary stair runner, in particular, adds a sense of luxury and completion to your home décor. At Rols, all our woven stair runners are made in Spain using traditional techniques and we offer a thoughtfully curated selection of stair runner styles in different materials, patterns, and textures.

Si lo primero que ven las personas cuando entran a tu casa es el pasillo o las escaleras ¿por qué no haces que esa primera impresión sea de “wow”? Una vez que te decidas a darle el ese toque personal y de estilo a tu entrada, desde Rols ponemos a tu disposición una amplia selección de alfombras de pasillo y escaleras para que la pueda decorar como se merece. En Rols, todas nuestras alfombras de pasillo y escaleras son tejidas aquí en España, en nuestra fábrica de Crevillent utilizando técnicas de tejeduría tradicionales y ofrecemos un abanico cuidadosamente seleccionado de estilos de alfombras para escaleras en diferentes colores, materiales, patrones y texturas.

ANNABELLE III - 841

SPECIFICATION SHEET

TECHNICAL INFORMATION

ANNABELLE III

Manufacturing method / Sistema de fabricación:

Raschel Face to Face / Raschel doble cara

Pile composition / Composición de felpa:

100% Pure Wool / 100% Pura lana virgen

Pile weight / Peso felpa: $\pm 1.850 \text{ g/m}^2$

Pile height / Altura felpa: $\pm 10,0 \text{ mm}$

Available width / Ancho disponible: 2 m & 4 m

LEED®: This collection fulfills the requirements for LEED certified buildings (EQC 4.3)

DIANA

Manufacturing method / Sistema de fabricación:

Wilton

Pile composition / Composición de felpa:

100% Pure Wool / 100% Pura lana virgen

Pile weight / Peso felpa: $\pm 1.300 \text{ g/m}^2$

Pile height / Altura felpa: $\pm 5,0 \text{ mm}$

Available width / Ancho disponible: 2 m & 4 m

LEED®: This collection fulfills the requirements for LEED certified buildings (EQC 4.3)

GALA

Manufacturing method / Sistema de fabricación:

Wilton

Pile composition / Composición de felpa:

100% Pure Wool / 100% Pura lana virgen

Pile weight / Peso felpa: $\pm 1.300 \text{ g/m}^2$

Pile height / Altura felpa: $\pm 5,0 \text{ mm}$

Available width / Ancho disponible: 2 m & 4 m

LEED®: This collection fulfills the requirements for LEED certified buildings (EQC 4.3)

LUNA

Manufacturing method / Sistema de fabricación:

Wilton

Pile composition / Composición de felpa:

100% Recycled Nylon / 100% Poliamida reciclada

Pile weight / Peso felpa: $\pm 1.900 \text{ g/m}^2$

Pile height / Altura felpa: $\pm 9,0 \text{ mm}$

Available width / Ancho disponible: 2 m & 4 m

NATURE PREMIUM

Manufacturing method / Sistema de fabricación: Wilton Flatwoven / Wilton tejido plano

Pile composition / Composición de felpa:

100% Outdoor Recycled PET

/ 100% PET reciclado outdoor

Pile weight / Peso felpa: $\pm 1.500 \text{ g/m}^2$

Total carpet thickness / Altura total: $\pm 4,0 \text{ mm}$

Available width / Ancho disponible: 2 m & 4 m

SERENA

Manufacturing method / Sistema de fabricación:

Wilton Flatwoven / Wilton tejido plano

Pile composition / Composición de felpa:

100% Wool / 100% Lana

Pile weight / Peso felpa: $\pm 900 \text{ g/m}^2$

Total carpet thickness / Altura total: $\pm 4,0 \text{ mm}$

Available width / Ancho disponible: 2 m & 4 m
