About the Collection

Inspired by oxidation and the effect it has on different surfaces, Newhey has developed this collection which will be manufactured at four metres wide with a heavy commercial specification.

Offering nine on-trend colourways to suit a host of contract applications, ranging from the dark dramatic shades of Rioja and Raven to the more neutral Oatmeal and Sage, not forgetting Bronze, Denim and Amethyst which adds depth and colour.

Our Story

Newhey Carpets is a leading British manufacturer of contract carpets for the hotel, leisure and entertainment sectors. Applying 50 years of manufacturing and technical excellence, the company constantly embraces the very latest production techniques in order to deliver reliable, high performance products to its global customer base.

Driven by innovation, Newhey uses a mix of yarns and colours to develop unique solutions for commercial interior designers, all backed up by market leading after sales advice and support. The company is also at the forefront of the carpet sector in terms of reducing its carbon footprint through the development of low embodied energy. Newhey's advanced backing system utilises a unique solvent free application process to apply the revolutionary evobac, which is produced from 100% recycled plastic bottles.
