Multicolour patterned carpet tile with loop pile surface in a total of 19 colours.

A forest from above. A rock in the surf. The waves on the roaring sea. If you look closely, you will see that nature has its own formal language. Harsh and rough. Sometimes soothing and harmonious. In this collection, the shapes of nature are also mentioned. Sometimes as a pulsating line structure – alternating discreetly and intensely. Sometimes as a cloudy look with fascinating courses and charming contrasts. This collection represents countless possibilities. And an absolute diversity in terms of modern interior design.
